Hourly rate for time and materials work such as removal and disposal of old carpet and pad, weekend work, night work, removing furniture and returning it to its original position:

- **Supervisor @** $__________/hr./Man
- **Labor @** $__________/hr./Man
1. **Contractor Qualifications:** Contractor shall have documented experience in carpet and flooring installation.

2. **Warranty:** Contractor shall warrant carpet installation for a period of one (1) year from the date of final acceptance. Neither the final certificate of payment nor any provisions in the contract documents shall relieve the Contractor’s responsibility for faulty workmanship. The Contractor shall remedy any defects in work, such as, but not limited to, rippling or opening of seams or improper installation, and pay for any damage to other work resulting therefrom.

3. **Scheduling of Work:** The University will make every attempt to schedule jobs with sufficient lead-time, but contractor(s) must be prepared to start work within three working days, on specific jobs, as required by the University. Jobs once started, shall be completed, without interruption, to meet the University’s work schedule.

4. **Product Handling:** Materials provided by the University are to be stored only under conditions recommended by the manufacturer. Do not use any materials, which have exceeded their shelf life. The University will be responsible for moving carpet and related installation materials to the project staging area selected by the University and agreed to by the Contractor. Once the carpet, and related installation material, has been moved to the staging area, the Contractor must use appropriate means to protect the carpet before and during installation. The Contractor shall move carpet, and related installation material, from the staging area to the installation site.

5. **Packaging:** The Contractor must save all usable carpet pieces. These items shall be turned over to the University representative.

6. **Use of Structure:** The University will occupy buildings during the execution of this contract. The Contractor shall consult with the University and coordinate work to minimize interruption of the University’s activities.

7. **Hours of Work:** The Contractor shall be prepared to perform work during non-business hours, including weekends and University holidays, as determined by the nature of the project and under the direction of the University representative.

8. **Sanitary Facilities:** Existing restroom facilities and drinking fountains with the building may be used by the Contractor, his employees and agents where approved by the University. The Contractor shall insure that his employees or agents track no mud, dirt, etc., into the building.

9. **Parking:** The University will designate parking facilities however the contractor is responsible for contacting parking services to obtain and Vendor Permit.

10. **University Inspections:** The Contractor shall permit University representatives to inspect and review work, materials and methods relevant to this contract. If any portion of the installation does not meet required specifications, it shall be replaced at the Contractor’s expense.
11. Furniture/Equipment: Furniture and equipment removal will be determined on a job by job basis: The University will remove and replace furniture when work is scheduled during normal working hours. Only when necessary will the University ask the contractor to remove and replace furniture and equipment.

12. Carpet Removal: Typically, the University will remove old carpet from the area to receive new carpet. In the event the Contractor is authorized to remove the carpet, he/she is responsible for removal of all debris from the jobsite. All debris can be placed in a dumpster designated by the University. Broadloom carpet should be rolled to minimize disposal space needed in the dumpster. Adhesive containers should be resealed with their original lids before being placed in dumpsters.

13. Time and Materials: Any work performed on a time and materials basis, will be approved, and monitored by the University representative. The Contractor must advise the University when time and material work begins and ends. A University representative shall sign time and material tickets daily.

Contractor shall submit original signed time and material tickets with the invoice for payment. Any Time and Material Ticket not signed by a University representative will not be paid.

14. Carpet Installation: Carpet shall be installed in accordance with the manufacturer’s installation instructions and to the satisfaction of the University.

Floor surfaces must properly be prepared in accordance with the carpet manufacturers’ installation instructions, and to the satisfaction of the University. Floor preparation shall include, but not be limited to, patching surface as necessary, glue removal and cleaning. The Contractor shall notify the University upon completion of floor preparation to allow for inspection prior to installation.

Carpet must be protected during installation to insure it is not damaged. A cleaning agent that has been approved by the carpet manufacturer must remove any adhesive on the surface of the carpet. The carpet shall be vacuumed with a commercial quality machine to remove dirt. Carpet shall be replaced if soil cannot be removed. All protruding face yarns shall be trimmed.

Leave project area and staging areas clean and free of debris. The Contractor shall dispose of all debris and carpet trimmings of less than usable size.

Contractor must report any problems with carpet or site conditions to the University immediately upon identification of the problem. Installation must cease until the problem has been resolved to the satisfaction of the University. Failure to report any problems with carpet or site conditions to the University will place full financial responsibility for carpet repair/or replacement upon the Contractor, including re-installation costs, should the University determine in a post-installation inspection that a problem should have been reported and that the installation should have been stopped. All change orders must be approved in writing by the University, in advance of completion of the work covered by the change. The University shall provide all carpet, adhesive and seaming materials required for each specific job. The Contractor shall provide all cleaning agents, adhesive removers and miscellaneous materials not supplied by the University.
15. Carpet Tile Installation:

THE FOLLOWING SPECIFICATIONS APPLY ONLY TO CARPET TILE INSTALLATION:

Pre-measure spaces to establish starting point. Lay out such that perimeter tiles are of even width on opposing walls except for irregular room offsets. Field tiles, perimeter tiles and tiles in doorways shall be installed with manufacturer’s approved, vinyl compatible, releasable adhesive, using full spread method. Orient tiles in same direction within same area. Cut tile from backside to fit in irregular wall surfaces, penetrations and obstructions. In all cases, tile shall be cut neat, clean and straight. Butt tiles snugly. Avoid pile being caught in the joint between backings. Install black vinyl transition strip at all points of carpet tile termination.

16. Rolled Broadloom Carpet Installation:

THE FOLLOWING SPECIFICATIONS APPLY ONLY TO ROLLED BROADLOOM CARPET INSTALLATION:

The Contractor shall comply with all manufacturer’s recommendations for seam locations and direction of carpet; maintain uniformity of carpet direction and lay of pile. At doorways, center seams under centerline of door in closed position; do not place seams in direction of traffic through doorway. Do not bridge building expansion joints with continuous carpet. Changes in direction of nap shall occur only under centers of doors. The University, in advance of installation, shall approve any deviation from this seam layout standard.

Install vinyl transition strip edging where carpet ends against another floor surface; anchor edging to substrate.

Install rubber stair nosing on edges of steps and landings, anchor edging to substrate.

Fit all sections of carpet prior to application of adhesive. Trim edges and butt cuts with seaming sealer. In all cases, carpet shall be cut neat, clean and straight.

17. Carpet Base Installation:  Carpet base shall be installed straight and true and flat against the wall surface. If the wall surface is uneven, bulging or otherwise not suitable for a good carpet base installation, the installer must repair wall as necessary so that carpet base will lay flat. At the University’s discretion, depending upon the location, the carpet base will either be bound on the exposed edges or a vinyl edge strip should be applied.

18. Rubber Cover Base Installation:  Cove base shall be installed in accordance with manufacturer’s recommendations. All installed cove base shall lay flat, tight and smooth. All joints should fit tight and vertical. Maintain minimum measurement of eighteen (18) inches between joints. Miter internal corners. Scribe and fit tight to doorframes and other obstructions. Install as straight and level as possible.

19. Resilient Flooring Installation:  To be installed per manufacturer’s specifications, as provided by the University, to the Contractor.
By signing below the Contractor swears or affirms, under the penalty of false swearing as provided by 
KRS 523.040, that he/she is in compliance with all of the following:

2A. Any agreement or collusion among bidders or prospective bidders which restrains, tends to 
restrain, or is reasonably calculated to restrain competition by agreement to bid at a fixed price, or to refrain from bidding, 
or otherwise, is prohibited. The provisions of KRS 365.080 and 365.090, which permit the regulation of 
resale price by contract do not apply to sales to the State.

2B. Any person who violates any provisions of Kentucky Revised Statute 45A.325 shall be guilty of a felony 
and shall be punished by a fine not less than five thousand dollars nor more than ten thousand dollars, or be 
imprisoned not less than one year nor more than five years, or both such fine and imprisonment. Any firm, 
corporation, or association which violates any of the provisions of KRS 45A.325 shall, upon conviction, be 
fined not less than ten thousand dollars nor more than twenty thousand dollars.

3. That the content of the bid or bids have not been communicated by the bidder or its employees or agents to 
any person not an employee or agent of the bidder or its surety on any bond furnished with the bid or bids and 
will not be communicated to any such person prior to the official opening of the bid or bids;

4. That the bidder is legally entitled to enter into the contracts with the Commonwealth of Kentucky and is not 
in violation of any prohibited conflict of interest, including those prohibited by the provisions of KRS 
45A.330 to .340 and 164.390; and
